Moving Forward!

Fencing Course

A number of our Transition students have been involved in a Fencing course this term. Each Tuesday they are working on building a fence on the college grounds. The students are also completing some theory work through this project, so they can gain Level 3 credits, as well as practical skills that they can use in the future.

Dance School

Five of our students recently attended a workshop at the New Zealand School of Dance. They had a weekend of exploring contemporary, hip hop and street dance. This workshop was a taster of different dance styles; some of which took the boys out of their comfort zones. The tutors were really impressed with the talent and determination of these young men.

Mana College Open Evening

Our Open Evening will be held on Thursday 21 June at 6pm. If you or someone you know has a child entering secondary schooling next year, please come along and learn about what we are offering here at Mana in 2019!

Aria Accolade!

Our Vocal and Drama tutor, Laura Loach, not only won several of the classes in the Dame Malvina Major Foundation Christchurch Aria competition, but came 1st overall! We congratulate Laura on an awesome achievement and are proud to have our students being coached by such an outstanding and experienced professional vocalist.
