

CONSENT FOR YEAR 9 HEALTH and WELLBEING ASSESSMENT:

The Ministry of Health has requested that as part of the School Based Health Service all year 9 students are offered a free health and wellbeing assessment.

Your child will have vision, dental, height and weight recorded and will be asked about their general health and wellbeing.

The information that is collected by the school nurse is confidential and will not be discussed with anyone unless there are issues of safety or medical conditions.

Year 9 students will be asked to fill in a consent before the assessment takes place.

Please sign this consent form for your child to under take the Health and Wellbeing assessment by the school nurse.
